Ashok Bedi, M.D is a Diplomat Jungian psychoanalyst and a board certified psychiatrist and addictionologist. He is a Distinguished Fellow of the American Psychiatric Association; a Clinical Professor in Psychiatry at the Medical College of Wisconsin in Milwaukee and a Training and Supervising Analyst and a faculty member at the Analyst Training Program at the Carl G. Jung Institute of Chicago. He is author of several books including Path to the Soul, Weiser Books, 2000, Awaken the Slumbering Goddess: The Latent Code of the Hindu Goddess Archetypes, Booksurge Publishers, 2007 and the coauthor of Retire Your Family Karma, Nicholas-Hays, Inc. 2003, These and his other upcoming presentations can be previewed at his website

www.pathtothesoul.com

Dr. Bedi specializes in treatment of adults with emotional, relational, addiction and psychiatric problems. He uses a Jungian analytical psychotherapy and psychoanalytical treatment models, not only treating the symptoms, but the underlying psychological and spiritual issues that feed these problems. Medications are used when appropriate but I believe one must also attend to the underlying issues in psychotherapy or psychoanalysis.
